

How can I ensure I keep on growing in my salvation after giving my life to Jesus Christ?

What do I need to do to be a strong Christian?

How can I be effective in my Christian ministry and bring forth much fruit in the kingdom of God?

The book "Christian Growth And Maturity" has been written to help you who has professed Jesus Christ as your Lord and Saviour find answers to these question. The truths contained in this book will be beneficial to all Christians irrespective of their denominational affiliation or how long they have been in the Lord. I recommend this book to new believers, teachers of new believers and any Christians who desires to grow and mature in Christianity.

The content in this book will ensure that you grow, mature and become fruitful in your Christian walk.
